

Our Services

- Promoting bilateral trade and German technology in the West African region and vice versa.
- Representing the full range of the Delegation's service portfolio in the region (DEinternational Services).
- Support for skills centres in the coordination and implementation of projects in the French speaking regions.
- Market entry services.
- Information on different industries.
- International trade fairs.
- Business and networking forums.
- Prospecting missions and delegation trips.
- Search for business partners.
- Workshops, seminars, conferences and B2B meetings.

Our goal is to contribute to the security and diversification of Germany's mineral resource supply, while also assisting German mining suppliers and service providers in establishing and expanding their presence in Ghana and the wider West African region.

GERMAN MINING NETWORK
Competence in Mining & Mineral Resources

Our Global Network

The Competence Centre for Mining and Mineral Resources West Africa is part of the global German Mining Network, connecting all relevant industry stakeholders in both Germany and West Africa, with a focus on Ghana, Burkina Faso, Côte d'Ivoire, Gabon, Guinea, Mali, Morocco, Mauritania, Sierra Leone, and Togo.

We support the implementation of the Federal Government's Raw Material Strategy and work in close cooperation with the German Raw Materials Agency (DERA).

We contribute to secure and diversify the German mineral resource supply and support

German mining suppliers and service providers in establishing and growing their businesses in Ghana and the West African region. The Competence Centre aims to be the central point of contact for German companies in West Africa and serves the following objectives:

- 1 **Creating market transparency.**
- 2 **Supporting cooperation and communication.**
- 3 **Providing services and promoting German technologies.**
